Tom: **G**

Intro: **G C7M G C7M**

G
 You are my Shepherd and all I could want
C7M
 Kindest of fathers
G
 Green are the pastures where grace lays me down
C7M
 Beside still waters

 For the sake of Your Name
 You make me righteous now
 When I walk in the darkness

You're with me all the while

When my fear is drawing near
 Your comfort overwhelms me
 You have made me a place
 My joy is overflowing
 For all the days here in this life
 Your goodness follows me
 Your love and light my soul delights
 Great Shepherd over me
