

Red - Pieces

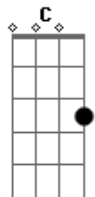

Tom: C

Eb **Am** **F**
I'm here again
Am **F** **G**
A thousand miles away from you
Am **F**
A broken mess
Am **F** **G**
Just scattered pieces of who I am
Am **F**
I tried so hard
Am **F** **G**
Thought I could do this on my own
Am **F** **A**
I've lost so much along the way
F **G**
Then I see your face
Am **G**
I know I'm finally yours
F **G**
I find everything
Am **G**
I thought I lost before
F **G**
You call my name

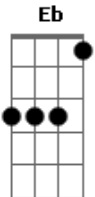

Afinação: **Eb Ab Db Gb Bb**

Am **C**
I come to you in pieces
F **G** **Am F Am F G**
So you can make me whole
Am **F**
I've come undone
Am **F** **G**
But you make sense of who I am
Am **A**
Like puzzle pieces in your hand
Repete o Refrão com as mesmas notas.
When I see your face
I know I'm finally yours
I find everything
I thought I lost before
You call my name
I come to you in pieces
So you can make me whole
G Am F Am G
G **Am F**
I tried so hard
Am G
So hard
G Am F
I tried so hard
