

Rede Feminina Nacional de Combate ao Câncer - Hino Rosas de Amor

tom: G

Fica sempre algum perfume

Nas mãos abençoadas

Que oferecem rosas

Rosas desabrochando amor

Perfumando de paz

Os dias de aflição

Rosas cheias de perdão

Para aqueles que sentem

A dor do seu caminho

Rosas que brotam do coração

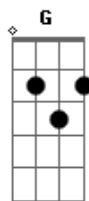

E se desfolham em suave carinho

Que o perfume dessas rosas

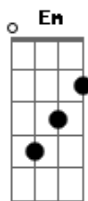

Possa abençoar

As nossas mãos
