

Regina Spektor - Better

Tom: E

If I kiss you where it's sore

If I kiss you where it's sore

Will you feel better, better, better

Will you feel anything at all

Will you feel better, better, better

Will you feel anything at all

A B

Born like sisters to this world

In a town where blood ties are only blood

If you never say your name out loud to anyone

They can never ever call you by it

If I kiss you where it's sore

If I kiss you where it's sore

Will you feel better, better, better

Will you feel anything at all

A B E

Will you feel better, better, better

Will you feel anything at all

Em

You're getting sadder, getting sadder,

Em

getting sadder, getting sadder

And I don't understand, and I don't understand

But if I kiss you where it's sore

If I kiss you where it's sore

Will you feel better, better, better

Will you feel anything at all

Will you feel better, better, better

Will you feel anything at all

Anything at all

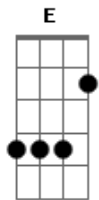

Will you feel anything at all

Anything at all

Will you feel anything at all

Anything at all...
