

# Regina Spektor - Ghost Of Corporate Future

Tom: C

A man walks out of his apartment  
It is raining, he's got no umbrella  
He starts running beneath the awnings  
trying to save his suit  
Tryin to dryin to tryin to dry but no good

When he gets to the crowded subway platform  
he takes off both of his shoes  
He steps right into somebody's fat loogie  
And everyone who sees him says "ewwww"  
Everyone who sees him says "ewwww"

But he doesn't care cause last night he got a visit from the  
Ghost of  
Corporate Future  
The Ghost said take off both your shoes whatever chances you  
get  
Especially when they're wet  
He also said

Imagine you go away  
on a business trip one day  
And when you come back home  
Your children have grown  
And you never made your wife moan

And people make you nervous  
You'd think the world was ending  
And everybody's features  
Have somehow started blending  
And everything is plastic  
And everyone's sarcastic  
And all your food is frozen  
It needs to be defrosted  
You'd think the world was ending

You'd think the world was ending  
You'd think the world was ending right now

Well maybe you should just drink a lot less coffee  
And never ever watch the 10 o'clock news  
Maybe you should kiss someone nice or lick a rock or both  
Maybe you should cut your own hair cause that can be so funny  
It doesn't cost any money and it always grows back  
Hair grows even after you're dead

People are just people  
They shouldn't make you nervous  
The world is everlasting  
It's coming and it's going  
If you don't toss your plastic  
The streets won't be so plastic  
And if you kiss somebody  
Then both of you'll get practice  
The world is everlasting  
Put dirtballs in your pockets  
Put dirtballs in your pockets  
And take off both your shoes  
Cause people are just people  
People are just people  
People are just people like you  
People are just people  
People are just people like you  
The world is everlasting  
It's coming and it's going  
The world is everlasting  
It's coming and it's going  
It's coming and it's going  
It's coming and it's going
