

Regina Spektor - Hotel Song

Tom: A

Come in, come in
 Come into my world I've got to show
 Show show you, Come into my bed
 I've got to know, Know know you
 I have dreams of orca whales and owls
 But I wake up in fear
 You will never be my, You will never be my fool
 Will never be my fool
 Floaters in my eyes, Wake up in an hotel room
 Cigarettes and lies, I am a child, it's too soon
 I have dreams of orca whales and owls
 But I wake up in fear
 You will never be my, You will never be my fool
 Will never be my fool
 A little bag of cocaine, A little bag of cocaine
 So who's the girl wearing my dress
 I figured out her number, Inside a paper napkin
 But I don't know her address I wade downstairs
 The porter smiles to me a smile, I've bought

With a couple of gold coins, A sign that I've been caught
 I have dreams of orca whales and owls
 But I wake up in fear, You will never be my
 You will never be my dear
 Will never be my dear, dear friend
 Dear dear friend, dear dear friend...
 A little bag of cocaine, A little bag of cocaine
 So who's the girl wearing my dress
 I figured out her number
 Inside a paper napkin, But I don't know her address
 (SÓ VOCAL BATERIA)
 Come into my world I've got to show
 Show show you, Come into my bed
 I've got to know, Know know you
 I have dreams of orca whales and owls
 But I wake up in fear, You will never be my
 You will never be my dear
 Will never be my dear, dear friend
 Dear dear friend, dear dear friend...
