

Regina Spektor - How

Tom: Eb

How can I forget your love?
How can I never see you again?
There's a time and place
For one more sweet embrace
And is time, ooh
when it all, ooh
Went wrong
I guess you know by now
That we will meet again somehow
(no chords)
Oh baby
How can I begin again?
How can I try to love someone new?
Someone who isn't you
How can our love be true?
When I'm not, ooh
I'm not over you
I guess you know by now
That we will meet again somehow

Ab Bb Eb
Time can come and take away the pain
Ab Bb Eb
But I just want my memories to remain

Eb Ab
To see your face
Ab Eb
To hear your voice
Ab Bb Eb
There's not one moment I'd erase
Ab Bb
You are a guest here now

So baby
Eb Bb
How can I forget your love?
Cm Ab
How can I never see you again?
Eb Bb
How can I ever know why some stay and others go?
Cm
When I don't, ooh
Ab
I don't want you to go

I guess you know by now
That we will meet again somehow

Time can come and wash away the pain
But I just want my mind to stay the same
To hear your voice
To see your face
There's not one moment I'd erase
You are a guest here now

So baby
How can I forget your love?
How can I never see you again?
