

Regina Spektor - One More Time With Feeling

Tom: C

Your stitches are all out
 But your scars are healing wrong
 The helium balloon inside your room has come undone
 And it's pushing up at the ceiling
 And the flickering lights it cannot get beyond
 (F Dm F Dm)

Everyone takes turns
 Now it's yours to play the part
 And they're sitting all around you
 Holding copies of your chart
 And the misery inside their eyes is
 Synchronized and reflecting into yours
 (F Dm F Dm)

Hold on!
 One more time with feeling
 Try it again, breathing's just a rhythm
 Say it in your mind until you know that the words are right

Dm F Dm F
 This is why we fight
 (C C F F C C F F C D D)
 (D Dm Em Dm C)

You thought by now you'd be
 So much better than you are
 You thought by now they'd see
 That you have come so far

And the pride inside their eyes
 Would synchronize into a love you've never known
 So much more than you've been show

Hold on!
 One more time with feeling
 Try it again, breathing's just a rhythm
 Say it in your mind until you know that the words are right

This is why we fight
 This is why we fight
