Intro: Db Gb Db Gb
                                                     Fm Gb Bbm
[Primeira Parte]
                                                    We're living in a den of thieves
                                                            Gb
Dh Gb Db
                                                    And it's contagious
They made a statue of us
Db Gb Db
                                                         Ab
                                                    And it's contagious
Then put it on a mountain top

Db Gb
                                                    Db
                                                         Gb
                          Db
                                 Gb
                                                    And it's contagious
The tourists come and stare at us
                                                    Am
                                                    And it's contagious
 Db
         Gb
Blow bubbles with their gum
 Db Gb
                                                    [Ponte] Bbm Gb Db Ab Ab
Take photographs have fun, have fun
                                                           Bbm Gb Db Ab Ab
                                                           Db Gb Db Gb
( Db Gb )
                                                           Db Gb Db Gb
                                                    [Terceira Parte]
They'll name a city after us
                                                              Gb
Db Gb
And later say it's all our fault
                                                    They made a statue of us
                                                             Gb
Then they'll give us a talking to
                                                    They made a statue of us
               Gb
                                                              Gb
Then they'll give us a talking to
                                                    The tourists come and stare at us
             Gb
                                   Gb
                                                              Gb Db
Cause they've got years of experience
                                                    The sculptors mama sends regards
