

Reginaldo Sodr  -   Gostoso Demais

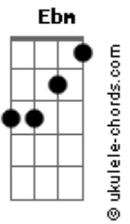

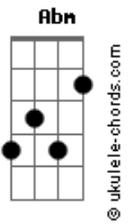

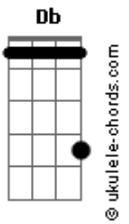

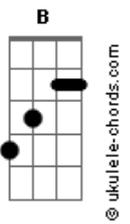

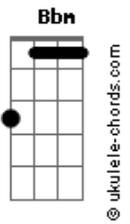

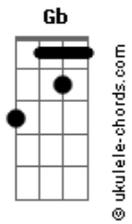

tom:

Intro: Bbm B Gb Db
B Abm Gb

Essa noite eu n o dormi, s o pensando em voc e
Descobri no teu abra o, um peda o do infinito

Entre beijos, abra os e gritos
Ponho estrelas no teu corpo

Acordes

P e um sol na minha vida
Nosso amor   t o bonito

  gostoso demais, amar voc e
  gostoso demais tanto prazer

  um bem que nos faz,   gostoso demais
Fazer amor, com voc e
