tom:
               D
   D
                      D7M
                                    G
You know the road, but so do i
D D7M Em G
 You don't love me anymore
D D7M Em G

It had to die
D D7M
               Em G
No matter how hard we tried
[Refrão]
I get the feeling D7M
That no one understands
And everyone is just another man
G D D7M
And when you look, into the mirror
                  D
Do you like what you see?
(D7M Em G)
(D D7M Em G)
(D D7M Em G)
(D D7M Em G)
And no one can steal
G D D7M
 Yeah, no one can feel
 G
The way you move D7M
And fly through the air
And all the lights
```

```
That shine on your hair
 Nobody does it
Like you
[Segunda Parte]
It's okay, i'll find someone else D D7M Em G
Someone better than yourself
D D7M
It's not easy
 Em G
To letting go
D D7M Em
But it only goes to show
[Final]
               D D7M
That no one can steal G D D7M
Yeah, no one can feel
  G
The way you move
And fly through the air
 G
And all the lights
That shine on your hair
Nobody does it
Like you
