

Rehash - Letting Go

tom:
 You know the road, but so do i
 You don't love me anymore
 It had to die
 No matter how hard we tried

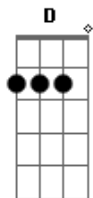

[Refrão]

I get the feeling
 That no one understands
 And everyone is just another man
 And when you look, into the mirror
 Do you like what you see?

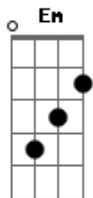

(D Em G)
 (D D Em G)
 (D D Em G)
 (D D Em G)

And no one can steal
 Yeah, no one can feel
 The way you move
 And fly through the air
 And all the lights

That shine on your hair
 Nobody does it
 Like you

[Segunda Parte]

It's okay, i'll find someone else
 Someone better than yourself
 It's not easy
 To letting go
 But it only goes to show

[Final]

That no one can steal
 Yeah, no one can feel
 The way you move
 And fly through the air
 And all the lights
 That shine on your hair
 Nobody does it
 Like you
