

Reinaeiry - It's You, It's Me, It's Us

tom:

Am

Between your name and a prayer **F** **G**

Is there a difference? Does it matter? **Em** **Am**

The stars in the sky can never compare **F** **G**

Because my whole world is the girl **E**

over there **Am**

You're a lighthouse, calling me home **F** **G**

And I'm sailing the waves that will **Em**

crash on the stone **Am**

"You're getting closer" I hear you say **F** **G**

But the tides pull me away **Em** **Am**

Am

Oh

And I call out to the weather **F** **G**

Water rushing in my lungs **Em** **Am**

Send m? a thunderbolt **F**

God's up above **G**

End my own agony **E**

Delivered from love **Am**

Hold my head underwater **F** **G**

A final gift to last **E** **Am**

It's you, it's me, it's us **F** **G** **F** **G**

C **Am** **F** **G** **F**

Ohhh oh oh hmm hmm hmm

F **G**

I've been feeling pieces of myself **Em** **Am**

Slowly drift away **F** **G**

Reflections caught in mirrors **E** **Am**

Remind me everyday **F** **G**

I shatter in your embrace **Em** **Am**

Cause I feel her hold and her voice

and her face **F** **G**

"I'll wait forever" I hear you say **Em** **Am**

As the tides drag me away **Am**

(Away, away, away, away)

[Chorus]

F **G**

And I call out to the weather **Em** **Am**

Water rushing in my lungs **F**

Send m? a lullaby **G**

God's up above **E**

End my own agony **Am**

Delivered from love **F** **G**

Hold my head underwater **E** **Am**

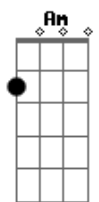

A final gift to last **F** **G** **F**

It's you, it's me, it's us **G** **C** **Am** **F** **G** **F**

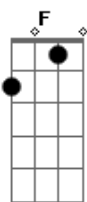

F **G** **Am**

It?s you, it?s Me, It?s Us
