

Reinaldo - Problema Emocional

tom:

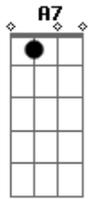

Aquela noite estava mal, problema emocional
 Não ia nem sair, queria me esquecer
 Depois do que sofri___foi tão bom te conhecer
 Teu sorriso conseguiu alegrar
 Meu coração, logo que a gente se viu
 Rolou uma emoção vi que todo mundo
 Tem em algum lugar alguém
 Que ta vindo por ai

Quando menos esperar
 Vem sambando devegar, e diz assim
 Estava te esperando amor
 Muito prazer esqueça o que passou
 Eu vim te dar felicidade___vim te
 Amar de verdade
 O passado não vale mais, nada
 Me amarrei de graça
 Quero te amar e dizer
 Que eu amo você
