

R.E.M. - Be Mine

Tom: E ...You and me...

This is a great song from 'New Adventures In Hi-Fi.' Play it with a $\,$

bit of distortion. Standard tuning. There's a bit in the chorus where $\ensuremath{\mathbf{I}}$

can't figure out what Mike does.

Ok, that's pretty much it, any corrections...(You know the deal) E-mail me Strat_Loz@
