GOOD ADVICES

The basic chords for this song are E, **D** and A, although not the normal open E, **D** and A. There's also an **Em** and some picking as well.

Here are the chords as I hear them, but due to the numerous guitar tracks on the studio version, your guess is as good as mine:

**E**      **D**      **A**      **Em**      D-lick

The song fades in on the **E** chord and the verses go:

<b>E</b>		Verse II:
When you greet a stranger,		When you greet a stranger,
<b>D</b>		Look at her hands,
Look at his shoes.		Keep your money in your
<b>A</b>		Put your travel behind.
hands,		
Keep your money in your shoes,		
D-lick		
Put your trouble behind.		

CHORUS:

Who are you going to

call for?

Keep you hat on your head

**E**

Home is a long way away

I'd like it here if I couldn't | Keep your memories in your shoes,

Even see you from a long way away. | Put your travel behind.

CHORUS (as above):

Break:

**Em**

At the end of the day,

When there are no friends.

Verse V: (wierd but it works)

Verse VI:

Who are you going to call for? | I'll forget your name.

What do you have to change. | I'd like it here if I couldn't

(Mike Mills in the background) | Even see you from a long way away.

CHORUS (as above) **END**

When you greet a stranger look at his shoes

Keep your money in your shoes put your trouble behind

When you greet a stranger look at his hands

Keep your money in your hands put your travel behind

Who are you going to call for, what do you have to say

Keep your hat on your head home is a long way away

At the end of the day, I'll forget your name

I'd like it here if I could leave and see you from a long way away

When you greet a stranger, look at her shoes

Keep you memories in your shoes, put your travel behind

Who are you going to call for, what do you have to say

Keep your hat on your head

Home is a long way away

At the end of the day, when there are no friends

When there are no lovers, who are you going to call for

What do you have to change

A familiar face a foreign place I forget your name

I'd like it here if I could leave and see you from a long way away

Who are you going to call for, what do you have to say

Keep your hat on your head

Home is a long way away
