

R.E.M. - Man-Sized Wreath

Tom: **G**

G
Turning on the TV and what do I see?

A pageantry of empty gestures all lined up for me - wow! **Gb**
G
I'd have thought by now we would be ready to proceed

But a tearful hymn to tug the heart
And a man-sized wreath - ow! **Gb**

Am
Throw it on the fire
D
Throw it in the air
Bm
Kick it out on the dance-floor like you just don't care, oh **E**
Am G D
Give me some

G
Wave the palms, still the arms, fists in the air
Gb
A motorcade of a night-string(?) shows the people that you care - ow!
G
Nature abhors a vacuum but what's between your ears?

Your judgement cluttered with fearful thoughts
A headlights and a deer - ow! **Gb**

Am
Throw it on the fire
D
Throw it in the air
Bm **E**

Kick it out on the dance-floor like you just don't care, oh
Am G D
Give me some

G
Well I'm not deceived by pomp and odious conceit

But a tearful hymn to tug the heart
And a man-sized wreath-ow! **Gb**

Am
Throw it on the fire
D
Throw it in the air
Bm **E**
Kick it out on the dance-floor like you just don't care, oh
Am
Look at what I've found
D
Everybody look around
Bm **E**
Everybody looking like they just don't care

Am
Throw it on the fire
D
Throw it in the air
Bm **E**
Kick it out on the dance-floor like you just don't care, oh
Am G D
Give me some
Am G D
Give me some
Am G D
Give me some
