R.E.M. - Man-Sized Wreath

Tom: G

    G
Turning on the TV and what do I see?
                                                    Gb
A pageantry of empty gestures all lined up for me - wow!
G
I?d have thought by now we would be ready to proceed

But a tearful hymn to tug the heart
                              Gb
And a man-sized wreath - ow!

Am
Throw it on the fire
D
Throw it in the air
Bm   E
Kick it out on the dance-floor like you just don?t care, oh
Am   G   D
Give me some

G
Wave the palms, still the arms, fists in the air
Gb
A motorcade of a night-string(?) shows the people that you
care - ow!
G
Nature abhors a vacuum but what?s between your ears?

Your judgement cluttered with fearful thoughts
                                  Gb
A headlights and a deer - ow!

Am
Throw it on the fire
D
Throw it in the air
Bm   E

Kick it out on the dance-floor like you just don?t care, oh
Am   G   D
Give me some

G
Well I?m not deceived by pomp and odious conceit

But a tearful hymn to tug the heart
                               Gb
And a man-sized wreath-ow!

Am
Throw it on the fire
D
Throw it in the air
Bm   E
Kick it out on the dance-floor like you just don?t care, oh
Am
Look at what I?ve found
D
Everybody look around
Bm   E
Everybody looking like they just don?t care

Am
Throw it on the fire
D
Throw it in the air
Bm   E
Kick it out on the dance-floor like you just don?t care, oh
Am   G   D
Give me some
Am   G   D
Give me some
Am   G   D
Give me some
