                                                              - CHORUS -
Goin' where no-body says hi
                                                              REFRAIN (bar chords):
                     Dbm
No, they don't talk to no-one they don't know
                                                              It's not as though I didn't ne-ed you
VERSE 2:
                                                              If you were here I'd only bleed you
You'll wind up in some fac-tor-y that's
                                                                             Dbm
Full time there'll be no-where left
                                                                  But ever-y bod-y else in
To go
