```
Tom: C
                               C
You're movin' through rough waters motel boy,
D F
                    C
and swimming in your sleep.
How could I be so blind, mis-sighted,
not to see there's something wounded deep?
Anyone could scratch your surface now,
        F
it's all amphetamine
you're blasting yourself into the present D F C
learn some vast indignity, say that,
You say that you hate it,
         G
you want to re-create it
Em C G D
I've been around, I've been your lover.
Fm C
I let it go at Kill Devil Hill,
You're coming onto something so fast, so numb
that you can't even feel.
You're drinking the raw Drano baby,
You do-si-do, saddo
You're you in cartilage, shark-eyed, shock horror, all present you played around, you played me lover, tense,

I let it go at Kill Devil Hill.
and boy your blood is running cold.
Listen, this is now, this is here, this is me,
this is what I wanted you to see.
That was then, was that, that is gone, this is past,
```

You love it. You hate it. You spit it out, the bitter pill. I've been around, I've been your lover I let it go at Kill Devil Hill. You're coming onto something so fast, so numb that you can't even feel.

I've played this round, I've played your lover. I've played it out to the hilt. You're comin' on with something so fast, so numb that you can't even feel.

You're moving so hard, so fast, so numb that you can't even feel.
