    D-F-D-F     D   F     D        F      D - F - D - F
1.            Now my suspicion's on the rise,
    D         F    D        F         D  - F - D - F
    I have known, I have known your kind.
      D           F           D        F
    Please don't talk, don't make me think,
     D     F   D       F     D      F    D   F       D    - F
- D - F
    order up another drink, let me let imagination drive.
C                  Am          C            D
    Can't you see,      I need      nothing     too deep.
Em         A      Em         A
    Imagination     come alive,
Em      A       Em      D            A
    suspicion       tonight, I'll dream tonight.
    D      F      D      F     D    - F - D - F
2. Listen to the devils in my ear,
     D        F     D     F       D     - F - D - F
    tell me what, what I want to hear !
     D         F      D         F
    You're so funny, you're so fine,
     D         F        D         F
    you're so perfect, you're so mine.
D                  F           D   F     D    - F - D
    that I never had an opportunity to hide.
                       F
    No I never had a chance.

C                    Am          C           D
    Can't you see,      I need     nothing     too deep.
Em         A      Em         A
    Imagination     come alive,
Em       A       Em     D            A
    suspicion       tonight, I'll dream tonight.

F - Em    G            D          F
        Look into my eyes, they hypnotize.
         Em                    C                          D   -F-
D-F
    The lights, the drinks, let the music carry you away
       D         F          D          F         - D - F - D -
F
3. My eyes are blurred, my sights are limited,
     D    F      D    F       D       - F - D
    am I sensing a familiar twinge?
      C                  Am
    Please don't speak,  make me think,
C                D
    it's all       too deep.
Em         A      Em         A
    Imagination     come alive,
Em       A       Em        D           A
    suspicion       step down, I'll dream tonight.
Em         D           A     Em             D     A
    Step down, I'll dream,     you're so naked baby,
     Em     D   A    Em          D      A
    carry me away,     dream, dream, dream ....
