

# R.E.M. - Try Not Breathe (cifra Completa)

Tom: G

I will try not to breathe,

I can hold my head still with my hands at my knees

These eyes are the eyes of the old,

shiver in the cold

I will try not to breathe,

This decision is mine I have lived a full life

and these are the eyes that I want you to remember

Oh

I need something to fly over my grave again

I need something to breathe

I will try not to burden, I can hold these inside

I will hold my breath until all these shivers subside

Just look in my eyes

I will try not to worry you, I have seen things that you will never see

Leave it to memory me, shudder to breathe

I want you to remember

Oh

I need something to fly

Over my grave again
