

R.E.M. - Try Not To Breathe

Tom: G

I will try not to breathe,
I can hold my head still with my hands at my knees
These eyes are the eyes of the old,
shiver in the cold
I will try not to breathe,
This decision is mine I have lived a full life
and these are the eyes that I want you to remember
Oh
A2
I need something to fly over my grave again
A2
I need something to breathe
I will try not to burden, I can hold these inside
I will hold my breath until all these shivers subside
Just look in my eyes
A2
I will try not to worry you, I have seen things that you will never see
Leave it to memory me, shudder to breathe
A2
I want you to remember
Oh
A2
I need something to fly
Over my grave again
A2

I need something to breathe (something to breathe)
