

R.E.M. - Try Not To Breathe

```
Tom: G
                                                                                                                                                                                                                                          I need something to breathe
                                                                                                                                                                                                                                                                                                                                                                            (something to breathe)
                            Baby Don't shiver now,
                                                                                                                                                                                                                                                                               D
                                                                                                                                                                                                                                                                                                                                                                             (I will see things you will
                                                                                                                                                                                                                                          Why do you shiver now
I will try not to breathe,
                                                                                                                                                                                                                                          never see)
                                                                                                                                                                                                                                          A2
                                                                                                                                                                                                                                                                                                                                                                            (something to fly)
I can hold my head still with my hands at my knees
                                                                                                                                                                                                                                          I need something to fly
                                                                  G
                                                                                                                          D Am
                                                                                                                                                                                                                                                            D
These eyes are the eyes of the old,
                                                                                                                                                                                                                                           Over my grave again
                                                                                                                                                                                                                                                                                                                                                                             (I will see things you will
                                                                   D Am C G
                                                                                                                                                                                                                                          never see)
shiver in the cold
                                                                                                                                                                                                                                          A2
                                                                                                                                                                                                                                          I need something to breathe \ensuremath{\text{I}}
I will try not to breathe,
                                                                                                                                                                                                                                             Am Em Am Em
This decision is mine I have lived a full life
                                                                                                                          A2
