## R.E.M. - Until The Day Is Done

Tom: G
(intro - repeated)
(verse)
(chorus - toca-se apenas os acordes)
D C
The battle's been lost, the war is not won
D An addled republic, a bitter refund
D C G D
The business first flat earthers licking their wounds
D C G D
The verdict is dire, the country's in ruins
C
Providence blinked, facing the sun
C G D
Where are we left to carry on
Am G D
Until the day is done
A7 G D
Until the day is done
D C G D
As we've written our stories to entertain
D C G
These notions of glory and bull market gain
The teleprompt flutters, the power surge brings

D C G
An easy speed message falls into routine Providence blinked, facing the sun
C G D

Where are we left to carry on
Am G D
Until the day is done
A7 G D
Until the day is done
whispers "Son,
A voice whispers "Son,
The blessed vision comes."
What have I done
G A
What have I done
D C G D
So hold tight your babies and your guns
Forgive us our trespasses, father and son
Providence blinked, facing the sun
C G D
Where are we left to carry on
Am G D
Until the day is done
A7 G D
Until the day is done
Am G D
Until the day is done
