

R.E.M. - Walk It Back

Tom: **A**

(com acordes na forma de Intro/ Chorus)

You, don't you turn this around
 I have not touched the ground in
 I don't know, how long?
 You say to

Walk it back
 Walk it back
 Walk it back

Walk it back
 Walk it back
 Walk it back

What, what would you have had me say
 Instead of what I said?
 Where, where would I go?
 How could I follow that
 Except to do what I did which is to

Walk it back
 Walk it back
 Walk it back

Time
 Reverse and rewind
 Erase and revise
 And try to start again

You, don't you turn this around
 I have not touched the ground in
 I don't know, how long?
 You say to

Walk it back
 Walk it back
 Walk it back

Walk it back
 Walk it back
 Walk it back

Time, time
 Time, it cannot abide
 You, you can't turn away
 You've asked me to stay
 But something needs to change
 Why can't you?

Walk it back
 Walk it back
 Walk it back

Walk it back
 Walk it back
 Walk it back
