{intro **Em** **Bm** **Em** **Bm** **Em** **Bm** **G** **A** }

D **G** **C** **D**
I sit at my table and wage war on myself
D **G** **C** **D**
It seems like it's all...it's all for nothing
D **G** **C**
I know the barricades, and
D **D**
I know the mortar in the wall breaks
G **C** **D**
I recognize the weapons, I used them well

Em **Bm**
Em **Bm**
This is my mistake. Let me make it good
Em **Bm** **G** **A**
I raised the wall, and I will be the one to knock it down

I've a rich understanding of my finest defenses
I proclaim that claims are left unstated,
I demand a rematch
I decree a stalemate
I divine my deeper motives
I recognize the weapons
I've practiced them well. I fitted them myself

It's amazing what devices you can sympathize...empathize
This is my mistake. Let me make it good
I raised the walls, and I will be the one to knock it down

{I lose track of where the chords occur over the words. They just switch between **Am** and **C** until the last part of this section...}

Am **C** **Am** **C**
Reach out for me and hold me tight. Hold that memory
Am **C** **Am** **A** **G**
Let my machine talk to me. Let my machine talk to me

This is my world
And I am the world leader pretend
This is my life
And this is my time
I have been given the freedom
To do as I see fit
It's high time I've razed the walls
That I've constructed

It's amazing what devices you can sympathize...empathize
This is my mistake. Let me make it good
I raised the walls, and I will be the one to knock it down

You fill in the mortar. You fill in the harmony
You fill in the mortar. I raised the walls
And I'm the only one
I will be the one to knock it down
{finaliza no **Em**}
