tom:

G

[Verso 1]

A Dbm
I don't feel safe in this bed

A Dbm
There are voices in my head

A Dbm
I've been talking to?the?dead

Gbm
And the fear?baptised me

A Dbm
My kingdom turned to dust

A Dbm
And?I watched all my riches rust

A Dbm
Have I lost the Midas' touch?

Gbm
Or do sad eyes blind me?

[Refrão]

A Dbm
Over and over we go

A Dbm
Over the hills and the valleys below

A Dbm
Oh, and it follows me, follows me home

Gbm Dbm
And it suffocates me, hmmm

[Pós-Refrão]

A
Oh, I can't breath

Dbm
I said oh, I can't breath

A Dbm Gbm
All I know is I forgot how to be me

[Verso 2]

A Dbm
I don't feel safe in the halls

A Dbm
There are bruises on the walls

A Dbm
There are bodies in the floors

Gbm
And they breathe so loudly

A Dbm
I wish I could move

A Dbm
Get up and walk right out this tomb

A Dbm
Do our saviours die too soon?

Gbm
For my sins surround me

[Refrão]

A Dbm
Over and over we go

(Over and over we go)

A Dbm
Over the hills and the valleys below

(Over the hills and the valleys below)

A Dbm
Oh, and it follows me, follows me home

(Follows me, follows me)

Gbm A Dbm
And it suffocates me, hmmm
