

Renascer Praise - Milagre No Altar

Tom: Eb
Intro: D G A

Atrás das nuvens brilha o sol
Luz que vem para me guiar
Socorro presente em meio da aflição
Sei que em Ti posso confiar

Ainda que esteja andando em dor
Sei onde posso Te encontrar
Jamais serei envergonhado
Minha cura está no altar

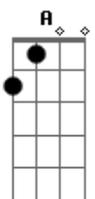

Jesus eu creio
Há um milagre me esperando no altar

Tua glória está neste lugar, eu sei
Vem sobre mim poder

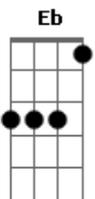

Nada vai me impedir de viver o meu milagre
Tua palavra diz há cura hoje aqui
Não importa a multidão
Vou atravessar em fé
vou vi - ver, vou viver...

Jesus eu creio
Há um milagre me esperando no altar
Tua glória está neste lugar, eu sei
Vem sobre mim poder
