

# Renato e Seus Blue Caps - Gaivotas Livres

Tom: D

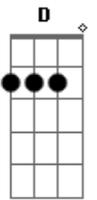

Sinta o dia despertar  
 E o sol trazendo a brisa fria das manhãs  
 Gaivotas livres chegam pra mostrar  
 Esse sol nascendo e vem queimar  
 A furia de um amor  
 Que não se controlou

Diante de você,diante de você  
 Lembro as frases de mulher  
 Daquelas noites feitas de amor  
 Seu corpo a excitar muita emoção  
 E um gosto de desejo pelo ar  
 Pernas, braços,seios,amando sem parar  
 Até cansar
