

Renato Russo - Close The Door Lightly When You Go

Tom: **D**
Intro: **D**

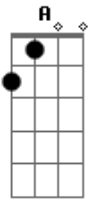

Turn around, don't whisper out my name **A** **D**
For like a breeze, it'd stir a dying flame **A** **G** **D**
I'll miss someone, if it eases you to know **A** **D**
So close the door lightly when you go **G** **A** **D** **D**
Who was the one that stole my mind ? **G** **A** **D** **D**
Who was the one that robbed my time ? **G** **A** **D** **D**
Who was the one who made me feel unkind ? **G** **A** **D**
So fare thee well, sweet love of mine **G** **A** **D** **D**
Take your tears to someone else's eyes **A** **D**
They're made of glass

And are cut like wounded lies **G** **D**
Memories are drifting like the snow **A** **D**
But close the door lightly when you go **G** **A** **D** **D** **D**
(Refrão)
Don't look back to where you once had been **A** **D**
Look straight ahead **A**
When you're walking through the rain **G** **D**
And find a light **A**
If the path gets dark and cold **D**
But close the door lightly when you go **G** **A** **D**
But close the door lightly when you go **G** **A** **D** **D** **D**
But close the door lightly when you go **G** **A** **D** **D** **D**
