

# Renato Russo - I Get Along Without You Very Well

Tom: **G**

Intro: **G**, **Cadd9**, **Am7**, **D**, **D**

**G** **C** **G**, **G**  
I get along without you very well  
**G** **C** **D**  
Of course I do  
**C** **D**  
Except when soft rains fall  
**C** **G** **D**  
And drip from leaves then I recall  
**Am7** **D** **G** **C**  
The thrill of being sheltered in your arms  
**Em**  
Of course I do  
**Am7** **D** **G**  
But I get along without you very well  
  
**G** **C** **G**, **G** **D**  
I've forgotten you just like I should  
**C** **D**  
Of course I have  
**C** **G** **D**, **D**  
Except to hear your name

**C** **G** **D**  
Or someone's laugh that is the same  
**Am7** **D** **G**  
But I've forgotten you like I should  
**G** **Am7** **G** **Am7** **G**  
What a guy what a fool am I  
**Am7** **D** **D** **G** **Em**  
To think my breaking heart could kid the moon  
**Em** **A** **Am7** **Bm** **Em7** **Em**  
What's in store, should I phone once more  
**A** **Am7** **D** **D**  
No it's best that I stick to my tune  
  
**G** **C** **G**, **G**  
I get along without you very well  
**C** **D**  
Of course I do  
**C** **G** **D**  
Except perhaps in spring  
**C** **D**  
But I should never think of spring  
**Am7** **D** **C** **Em** **C** **G**  
For that would surely break my heart in two
