

Renato Russo - The Dance

Tom: **G**

Looking ^{**G**} back on the ^{**C**} memory of
 The ^{**D**} dance we shared beneath the ^{**G**} stars ^{**D7**} above
 For a ^{**G**} moment ^{**C**} all the ^{**D7**} world was right
 How could I have ^{**Em**} known ^{**D**}
 that you'd ^{**C**} ever say ^{**D**} goodbye?
 And now I'm glad I didn't ^{**Bm**} know
 The way it all would ^{**C**} end ^{**D**}
 The way it all would go ^{**C**}
 Our lives are better left to ^{**D**} chance ^{**Bm**}

I could have missed the pain
 But I'd have had to ^{**C**} miss ^{**D**} the ^{**G**} dance
 Holding you I held ^{**G**} everything ^{**C**}
 For a ^{**D**} moment wasn't I a ^{**G**} king? ^{**D7**}
 If I'd only ^{**G**} known how the ^{**C**} king would fall
 Then who's to say ? ^{**D**}
 You know I might have changed it all ^{**Em**}
 And now I'm glad I didn't know
 The way it all would end
 The way it all would go
 Our lives are better left to chance
 I could have missed the pain
 But I'd have had to miss the dance
