

# Renato Russo - Thunder Road

Tom: G

Screen door slams, Mary's dress waves  
Like a vision dancing across the porch as the radio plays  
Roy Orbison singing for the lonely, hey that's me and I want you only  
Don't turn me home again, I just can't face myself alone again  
Don't run back inside, honey, you know just what I'm here for  
And you're scared and you're thinking that maybe we ain't that young any more  
show a little faith, there's magic in the night  
You ain't a beauty but eh, you're alright  
Oh and that's alright with me  
Ohh come take my hand We're ridin out tonight to case the Promised Land  
Oh Thunder Road, Oh Thunder road, Oh Thunder Road  
Lyin' out there like a killer in the dark  
Hey I know it's late, we can make it if we run

Oh Thunder Road, sit tight, take hold, Thunder Road  
So I got this guitar and I learned how to make it talk  
And my car's out back if you're ready to take that long walk  
From your front porch to my front seat  
Door's open but the ride ain't free  
Well I know you've been waiting for words that I ain't spoken  
Well tonight we'll be free--all the promises will be broken  
(e a musica continua com os mesmo acordes nas estrofes abaixo)  
There were ghosts in the eyes of all the boys you sent away  
They drive this dusty beach road in the skeleton frames of burned-out Chevrolets  
They scream your name at night in the street  
Your graduation gown lies in rags at their feet  
And in the lonely cool before dawn you hear their engines roaring on  
Until you get to the porch, they're gone on the wind so Mary climb in  
It's a town full of losers and we're pulling out of here to win

## Acordes
