Am / F / | G / / |

[Primeira Parte]  
I arise today by the mighty strength  
Of the blessed trinity?  
For the three in one: Father, Spirit, Son  
Bind my heart with bravery  
You're my breastplate and my shield

[Refrão]  
Christ before me?  
Christ behind me?  
Christ within me?  
All around me?  
You're the only armor that my soul will ever need  
Jesus, You're my victory  
You're my everything?

[Segunda Parte]  
I can face this day by the matchless power  
Of the cross and empty grave  
For the spirit of resurrecting love  
Is alive in me today  
You're alive in me today
