

Reneé Rapp - I Think I Like You Better When You're Gone

tom:
Abm (forma dos acordes no tom de Gbm)
Capostrate na 2ª casa

I know that I'm supposed to miss you and wish that you were here

But the more I drink, the more I think, you might just disappear

I got a funny feeling, funny feeling something's wrong

I think I like you better

I think I like you better when you're

Out of sight, out of mind

Even wore that shit that you don't like

Had a little fun, got a little drunk

And it didn't kill nobody, right?

One week until you get back (get back)

Admit that it makes me sad

Counting down the days in different ways, mm

I know that I'm supposed to miss you and wish that you were here

But the more I drink, the more I think, you might just disappear

I got a funny feeling, funny feeling something's wrong

I think I like you better

I think I like you better when you're gone

Mm-mm-mm

I think I like you better

I think I like you better when you're

Across the fucking country

Three thousand miles away

Three timezones from my face and

We're packing two different bags

Admit that it makes me sad

Counting down the days in different ways, mm

I know that I'm supposed to miss you and wish that you were here (and wish that you were)

But the more I drink, the more I think, you might just disappear (might just disappear)

I got a funny feeling, funny feeling something's wrong

I think I like you better

I think I like you better when you're gone

Mm-mm-mm

I think I like you better

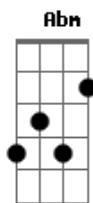

I think I like you better when you're gone

Mm-mm-mm (mm-mm)

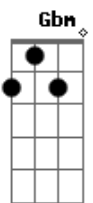

I think I like you better

I think I like you better when you're gone
