 Capotraste na 1ª casa

[Primera Parte]

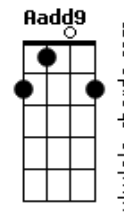

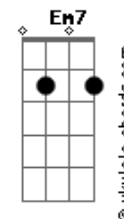

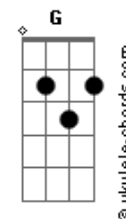

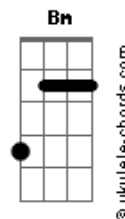

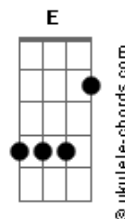

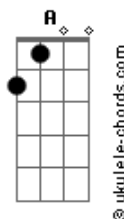

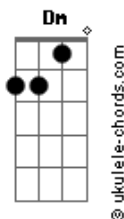

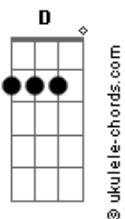

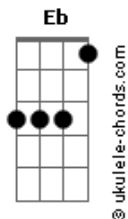

**A**  
 When I walk in the kitchen, my heart hits the floor  
**E**  
 Cause it's you that I'm missin', I still see a vision  
**D**  
 Of us cookin' dinner  
**Dm**  
 And you holding me from behind (From behind)  
**A**  
 And you say, "Please be careful, the knife is so big  
**E**  
 And we can't have another ER trip  
**D**  
 We're too young, too dumb, too in love to afford  
**Dm**  
 It" (To afford it)  
 [Pre-Estribillo]

**Bm**  
 And now it's just me and a hundred square feet  
**E**  
 Of bittersweet memories  
**Bm**  
 Deleted the playlist, but I still hear all your  
**Dm**  
 Favorite melodies  
**Aadd9**  
 Strangers to lovers to enemies  
 [Estribillo]

**A**  
 So I'll dance with your ghost in the living room  
**D**  
 And I'll play the piano alone  
**Dm**  
 But I'm too scared to delete all our videos  
**A**  
 Cause it's real once everyone knows  
**G**  
 Could've at least shown me some decency  
**D**  
 Done me a favor and packed up your clothes  
**Dm**  
 Fallin' in love, no, it ain't for the weak  
**A**  
 So don't try this at home  
 [Segunda Parte]

**A**  
 The couch that we sat on back in New York  
**E**  
 Has made it's way, three thousand miles to **LA**

 Ain't it funny how time shows you, you know nothing  
**Bm**  
 'Cause I used to love you

 But now you're dead to me  
 Strangers to lovers to enemies
