

Reneé Rapp - Talk Too Much

tom:
D

Bm A
Tasted the blood in my mouth

Bm A
And left you there to bleed out

Bm A
It didn't feel like a dream (Mm)

Bm A
Woke up and you looked so cute

Bm
Don't think I could love you more

A
So what?the?hell?does it all?mean?

Bm A
I'm takin' everything?I see as a sign and

Bm A
I know it's crazy but what if it's right?

G D A
I'm here again, talkin' myself out of

E
My own happiness

I'll make it up 'til I quit

G D A
I wonder if we should just sit here in silence

E
'Cause ooh-ooh, ooh-ooh

G
I think I talk too much

D A
Ooh-ooh, ooh-ooh, I think I talk too much

E
Ooh-ooh, ooh-ooh, I think I talk too much

Bm A
If I see a blue car today

We'll probably have to break up

Bm A
So I close my eyes while I drive (Mm)

Bm A
And if it rains, then it rains

And we'll be over by May

Bm A
That's just the deal that I made (In my head)

Bm A
I'm takin' everything I see as a sign and

Bm A
I know it's crazy but what if it's right?

G D A
I'm here again, talkin' myself out of

E
My own happiness

I'll make it up 'til I quit

G D A
I wonder if we should just sit here in silence

E

'Cause ooh-ooh, ooh-ooh, I think I talk too much

G D
Ooh-ooh, ooh-ooh, I think I talk too much

A E
Ooh-ooh, ooh-ooh, I think I talk too much

Okay, having said all that

Do you still wanna be with me?
(Do you still wanna be with me?)

Bm A
'Cause like I, I wanna be with you

Like, like maybe even forever (Forever)

Bm A
Holy shit, okay, maybe not forever (Forever)

Bm
I mean like I'm, I'm not sayin' not, forever

A
I, I actually have no idea what I'm sayin' (I have no idea)

Bm
Are you mad at me?

A
'Cause it's cool if you are, right

Like I don't care (I don't care)

Bm
But like, if, if you are then I'm gonna resent you (Resent you)

A
I, I'll forgive you

Bm
But I was just wonderin' like, okay, like is this a sign?

(I'm takin' everything I see as a sign)

A
Do I actually hate you?

Bm A
I just wanted to be honest, right

(I know it's crazy but what if it's right?)

Like, do you still love me?

G D A
I'm here again, talkin' myself out of

E
My own happiness

I'll make it up 'til I quit
