

# Reneé Rapp - Willow

tom:

Intro: Em Dm <sup>C</sup>Em Dm

[Primeira Parte]

<sup>Em</sup> Looks like you're still gettin' used to <sup>Dm</sup>

Being fully grown

<sup>Em</sup> I know it's hard to slow down when <sup>Dm</sup>

There's still more to go

<sup>Em</sup> Maybe it's just how you're treated <sup>Dm</sup>

Not something you know

<sup>Em</sup> Only so much you can explain over the phone <sup>Dm</sup>

[Pré-Refrão]

<sup>Em</sup> So I'm coming to you

Can I get your permission to lay underneath ya <sup>Dm</sup>

Not a special occasion, I just had a feelin' <sup>Em</sup>

Wanna ask how you doin' <sup>E</sup>

And mean <sup>Dm</sup> it, I mean it

[Refrão]

<sup>Dm</sup> Willow

<sup>F</sup> Don't cry, don't cry, Willow <sup>C</sup>

<sup>G</sup> Don't cry, Willow

[Segunda Parte]

Don't have to use your own tears <sup>Em</sup>

Just to grow your own roots <sup>Dm</sup>

Just keep your passion for flowers

And it'll patch up your youth

And there's a whole lot of rain <sup>Em</sup>

But there's a hole in the roof <sup>Dm</sup>

That makes it easy to swim in the bad attitude

[Pré-Refrão]

<sup>Em</sup> So I'm coming to you

Can I get your permission to lay underneath ya <sup>Dm</sup>

Not a special occasion, I just had a feelin' <sup>Em</sup>

Wanna ask how you doin' <sup>E</sup>

And mean <sup>Dm</sup> it, I mean it, oh
