I can't fight this feeling any longer
And yet I'm still afraid to let it flow
What started out as friendship has grown stronger
                      D
 I only wish I had the strength to let it show
I tell myself that I can't hold out forever
                Gb
I say there is no reason for my fear % \left( 1\right) =\left( 1\right) \left( 1\right)

'Cause I feel so secure when we're together

You make everything so clear
                       Dbm
And even as I wander, I'm keeping you in sight
You're a candle in the window on a cold dark win.....ter's
