

# Revelação - Feito à luz do Alvorecer

Tom: C

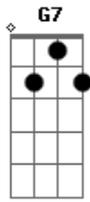

Olhando em seu olhar  
 eu me apaixonei comecei a sonhar  
 sonhando te amei  
 senti uma sensação que nunca imaginei  
 como eu te desejei  
 vi seu corpo no meu corpo ôôôô  
 Transbordando de emoção.....

feito à luz do alvorecer êêêê  
 viajando na emoção.....  
 É você  
 O sonho além do prazer  
 Muito mais que o meu querer  
 minha felicidade  
 vem amor me aquece com o seu viver  
 não me deixa enlouquecer  
 Me ama de verdade
