

Rex Orange County - Always

tom:

Aah!

Ooh-ooh, ooh (yeah)

Ooh, ooh-ooh, ooh-ooh

It's hard to make yourself believe

That it'll get better when you feel defeated

And carrying on is easier said than done

It took a while to see that I was in need

Of help from somebody else but she keeps

Reminding me that I'm not the only one

And babe, I woulda told you this was gonna happen

If I had know that it would

But now there's less time and more things that I need to say

And I'm afraid

That there will always be a part of me that's holding on

And still believes that everything is fine

And that I'm living a normal life

But until somebody sits me down

And tells me that I'm different now

I'll always be the way I always am

Oh, oh

Ooh-ooh, ooh (yeah)

Ooh, ooh-ooh, ooh-ooh

My apologies, it's such a shame

I never planned to feel this way

But the more that I try, the more I'm seeing a difference

I'm not gonna lie

And now I get to sit down

And I'm happy to admite now, I'm on my way

It seems I'm not invincible

But I'm bored of the pain and I need to explain

Yeah, there will always be a part of me that's holding on

And still believes that everything is fine

And that I'm living a normal life

But until somebody sits me down

And tells me why I'm different now

I'll always be the way I always am

Yeah, yeah
