Ah!  
C C7 F D7  
Ooh-ooh, ooh (yeah)  
C C7 F  
Ooh-ooh, ooh

C C7  
It's hard to make yourself believe  
F D7  
That it'll get better when you feel defeated  
C C7 F  
And carrying on is easier said than done  
C C7  
It took a while to see that I was in need  
F D7  
Of help from somebody else but she keeps  
C C7 F  
Reminding me that I'm not the only one

E7  
And babe, I would've told you  
F  
This was gonna happen  
C  
If I had known that it would  
F  
But now there's less time and more things  
E7 F  
That I need to say  
And I'm afraid

C  
That there will always be  
C7 F  
A part of me that's holding on  
D7 G  
And still believes that everything is fine  
G7  
And that I'm living a normal life  
C C7  
But until somebody sits me down  
F E7  
And tells me that I'm different now

## Acordes

F G C  
I'll always be the way I always am

Oh, oh

Ooh-ooh, ooh (Yeah)

Ooh, ooh-ooh, ooh-ooh

C C7  
My apologies, it's such a shame  
F D7  
I never planned to feel this way

C  
But the more that I try  
C7 F  
The more I'm seeing a difference

I'm not gonna lie

Dm G  
And now I get to sit down  
C C7  
And I'm happy to admit now, I'm on my way  
Dm G  
It seems I'm not invincible

C  
But I'm bored of the pain  
And I need to explain

C  
Yeah, there will always be  
C7 F  
A part of me that's holding on  
D7 G  
And still believes that everything is fine  
G7  
And that I'm living a normal life  
C C7  
But until somebody sits me down  
F E7  
And tells me why I'm different now  
F G C  
I'll always be the way I always am  
Yeah, yeah
