                                       C7
Cause right now I see all these people
                                                                                                                                                                                                                                     In this damn world
That love me but I still feel alone
                                                                                                                                                                                                                                     You're gonna wanna be my best friend baby
Can't help but check my phone

Wasn't made for you and you weren't made for me
                                                                                                                                                                                                                                     You're gonna wanna be my best friend baby
Though it seemed so easy
                                                                                                                                                                                                                                     You're gonna wanna be my best friend
And that's because I wanna be your favorite boy
                                                                                                                                                                                                                                     You're gonna wanna be my best friend baby
I wanna be the one that makes your day
                                                                                                                                                                                                                                     You're gonna wanna be my best friend
The one you think about as you lie awake
