

Rex Orange County - Best Friend

tom:

C

I should've stayed at home
'Cause right now I see
all these people that love me
But I still feel alone
Can't help but check my phone

C
I could've made you mine
But no, it wasn't meant to be
And see I wasn't made for you
And you weren't made for me
Though it seemed so easy
And that's because

C **E7**
I wanna be your favorite boy
I wanna be the one that makes your day
The one you think about as you lie awake
C **E7**
I can't wait to be your number one
I'll be your biggest fan and you'll be mine
But I still wanna break your heart and make you cry

C
But won't you wait?
You know it's too late
I'm on my own shit now
Let me tell you how it feels
To be fucking great
I feel great
Woah ohh

C
You need to be yourself
Love someone for loving you
Instead of someone really cool

That makes your heart melt
Who knows what you truly felt

C
You're still my favourite girl
You better trust me when I tell you
There ain't no one else more beautiful
In this damn world
In this damn world

C
You're gonna wanna be my best friend, baby
You're gonna wanna be my best friend
(I said that)
C
You're gonna wanna be my best friend, baby
You're gonna wanna be my best friend (best friend)
C
You're gonna wanna be my best friend, baby
You're gonna wanna be my best friend (best friend)
C
You're gonna wanna be my best friend, baby
You're gonna wanna be my best friend
Fm
I say that I'm happy
I say that I'm happy
But no, no, no, no
No, no, no, oh

C **E7**
I still wanna be your favorite boy
I wanna be the one that makes your day
The one you think about as you lie awake
C **E7**
And I can't wait to be your number, your number one
I'll be your biggest fan and you'll be mine
But I still wanna break your heart and make you cry

C **E7**
I still wanna be your favorite boy
I wanna be the one
I might just be the one
