

Rex Orange County - Corduroy Dreams

tom:

C

How could I ignore you?
 Trust me I adore you
 We're swimming through our dreams
 Kiss me in the shower
 For a couple hours
 Though we're only sixteen
 And sit down beside me
 Don't call me daddy
 Cause that's just fucking weird
 Promise that you'll stay here
 You and I can lay here
 Until the end of time

[Chorus]
 But girl, well don't you worry about me
 It ain't new to me, feeling this lonely (Darling)
 Girl, don't worry about me
 But if you're ever unhappy
 Then maybe, baby, I must let you go

C A7 D7 G C A7 D7 G
 Let you go

[Verse 2]
 Baby now it's best here,
 to lay me down and rest here
 Let's dream of Corduroy
 Work for what you love to do
 and I will watch right over you
 With your heart I'll never toy
 And you're the other half of me.
 Dream and sleep and laugh with me
 Take me from myself
 See I'm a fucking basket-case.
 Until I'm able to see your face
 You saved me from myself

[Chorus]
 But girl, well don't you worry about me
 It ain't new to me, feeling this lonely (Darling)
 Girl, don't worry about me
 But if you're ever unhappy
 Then maybe, baby, I must let you go
