[Primeira Parte]

**Em7** **F7**  
How could I ignore you?  
**Gbm6** **B7** **Em7**  
Trust me I adore you  
**F7** **Gbm6** **B7**  
We're swimming through our dreams  
**Em7** **F7**  
Kiss me in the shower  
**Gbm6** **B7** **Em7**  
For a couple hours  
**F7** **Gbm6** **B7**  
Though we're only sixteen  
**Em7** **F7**  
And sit down beside me  
**Gbm6** **B7** **Em7**  
Don't call me daddy  
**F7** **Gbm6** **B7**  
Cause that's just fucking weird  
**Em7** **F7**  
Promise that you'll stay here  
**Gbm6** **B7** **Em7**  
You and I can lay here  
**Em7** **Gbm6** **B7**  
Until the end of time

**Em7** **Fm7** **Gbm6** **B7** **Em7**  
Work for what you love to do and I will watch right over you  
**F7** **Gbm6** **B7**  
With your heart I'll never toy  
**Em7** **F7** **Gbm6** **B7**  
And you're the other half of me. Drink and sleep and laugh  
with me  
**Em7** **F7** **Gbm6** **B7**  
Take me from myself  
**Em7** **F7** **Gbm6** **B7**  
See I'm a fucking basket-case. Until I'm able to see your face  
**Em7** **F7** **Gbm6** **B7**  
You saved me from myself
