

# Rex Orange County - Edition

Tom: **Gb**  
Intro: **F A7 Dm C**

**F**  
Baby you braved it  
**A7**  
I understand you had a bad day and shit  
**Dm**  
So I say something dumb as fuck  
**C**  
And luckily it gives you a facelift  
**F**  
But really I couldn't take it  
**A7**  
Especially when the volume is raising  
**Dm**  
She came in the room  
**C**  
Chicane in the road  
Now my mind is racing  
**F**  
You care too  
Where to?  
**A7**  
Three days in a row my plans fell through **Dm**  
**C**  
Crying in a hotel room

**F**  
You listen  
**A7**  
If I could I'd be staying at the edition  
(For real?)  
For real  
**Dm**  
I would meet you at a certain time  
**C**  
And take my time and make my decision  
For real  
**F** **A7** **Dm**  
I'm only ever trying to help you  
**C**  
It's only ever love (in a hotel room)  
It's only ever love, baby  
**F** **A7** **Dm**  
I'm only ever trying to help you  
**C**  
It's only ever love, baby (in a hotel room)  
**F** **A7**  
It's only ever love  
**Dm** **C** **F**  
It's only ever trying to be loved in a hotel room
