

Rex Orange County - Lost For Words

tom:
 I'm lost for words
 I'm in the backseat and I wish I wasn't me
 I don't deserve some of the words I'm hearing
 Some of the people on the street
 I don't deserve
 And I never get it right, I know, babe
 I always do my best, you know
 But I only have it all
 Oh, oh-oh
 Na-na-na-na-na
 Oh, oh-oh
 Lost for words
 I'm in the backseat and I wish I wasn't me
 I don't deserve
 Baby, the options I get
 Play through them all right now
 'Cause I'm out of my mind
 I'll go insane if I don't see you this time
 I swear to God, I love you

And I show you every time
 But do you see it, girl?
 Do you see in my mind?
 Oh, oh-oh
 I'm in the backseat and I wish I wasn't me
 I don't deserve
 All of the things you're saying
 Please give me a break, a day off
 There's something in the air
 I'm not sure if you're feeling pleased or scared
 But I'm right here and I'm holding you
 Let me do it, let me do, oh
 Let me do it, let me do, it
 Let me do it, it, it, it, woah-oh
 Yeah, oh, yeah, oh
 I'm lost for words
 I'm in the backseat and I wish I wasn't me
 I don't deserve
 All of the demons that I'm facing each night
 And in my sleep, I'm lost inside the world
 And I never gave it right, I'm concerned
 Everyone's alone with me, they're against the things I say
