

Rex Orange County - Never Enough

Tom: E

Now there's no one left to blame
 And your face stays the same
 You're ashamed to say you feel relieved
 Stay away from your own family
 But years from now
 If you could make them proud
 You could leave the world and feel like you've achieved the things you hoped to do but
 Honestly I don't feel ordinary cause I haven't been at home in a while
 Tell them that it's only temporary
 I'm trying my best to smile

But that's never enough
 Cause when you lose the ones you love
 You might find it hard to cry
 Until it's only you and everybody else has left the room
 You might feel what it's like to not know how to feel
 You see, my old lady's old man just now left
 And there's nothing i can say except this long awaited rest
 Is a good thing and all good things must come to an end
 It's right in front of me so there's no reason to pretend except I'm afraid to die
 If this were a movie, you'd be taking our kids to school
 And I'd be Channing Tatum or somebody sexy
 Somebody cool

Years from now
 If you could make them proud
 You could leave the world and feel like you've achieved the things you hoped to do but
 Honestly I don't feel ordinary cause I haven't left my house in a while
 Tell them that it's only temporary

I'm trying my best to smile
 But that's never enough
 Cause when you lose the ones you love
 You might find it hard to cry
 Until it's only you and everybody else has left the room
 You might feel what it's like to not know how to feel
 Don't tell me you're sorry
 You're just sorry for yourself
 And though you might seem fine alone
 Well I could be the one to help
 Don't tell me you're sorry
 You're just sorry for yourself
 And though you might seem fine alone
 Well I could be the one to help
 Don't tell me you're sorry
 You're just sorry for yourself
 And though you might seem fine alone
 Well I could be the one to help
 Don't tell me you're sorry
 You're just sorry for yourself
 And though you might seem fine alone
 Well I could be the one to help
 Don't tell me you're sorry
 You're just sorry for yourself
 And though you might seem fine alone
 Well I could be the one to help
 Don't tell me you're sorry
 You're just sorry for yourself
 And though you might seem fine alone
 Well I could be the one to help
